## Policies and Procedures

### Academic Practices and Recognition

#### Report Cards and Interim Reports

Evaluation of student progress (Grades K-8) will be provided by electronic interim reports available through RenWeb at the midway point of each academic term, and through report cards sent home at the end of each academic term. K3-K4 student progress reports will be sent home in December and May.

#### Grading scale:

##### Grades 1 – 8

A+	99 – 100	C+	78 – 79
A	94 – 98	C	74 – 77
A	90 – 93	C	70 – 73
B+	88 – 89	D+	68 – 69
B	84 – 87	D	64 – 67
B	80 – 83	D	60 – 63
		F	59 – 0

A final grade of 60 or above is considered passing for all subjects.

#### Cheating and Plagiarism

Cheating and plagiarism are unacceptable. Please refer to Student Code of Conduct for specific school policy on this.

#### Homework Guidelines

Current research indicates that children in elementary and middle school grades do NOT benefit from traditional forms of homework. This is especially true in the younger grades. Based on research GCS teachers are committed to providing opportunities for students to engage in quality learning applications to reinforce and practice instruction provided at school. Students will be expected to study for upcoming tests, complete projects that align to the curriculum, and read for an extended amount of time each night. Recognizing that the needs of younger students are different from the needs of our older students, we differentiate the expectations and guidelines.

#### K-5 Guidelines:

- Students need a quiet place to study.
- Students should be held accountable for completing assignments.
- Students will be required to read for an extended amount of time each night. The amount of time is left to the discretion of the teacher and based on the needs of students. · Parents should check child's work and help him/her study/read.
- No weekend homework will be assigned, with the exception of special projects. 5
- No homework will be assigned over holidays, with the exception of special projects that may have been assigned some time before the holiday break.
- No testing will be administered on the first day back from any holiday break.

### **Middle School Guidelines:**

- Students need a quiet place to study.
- Students should be held accountable for completing assignments.
- Students are responsible for writing down all HW, projects, quizzes, and tests in their planner. Although tests, projects, and major quizzes will be posted on Google Classroom, parents should help their child develop organizational skills by encouraging them to be accountable for their work and test preparations and utilize their planners daily.
- HW, assessments, and assignments will be posted on Google Classroom; and any changes will be found in their planner. Teachers may administer pop quizzes which are unannounced.
- All tests and projects will be posted on Google Classroom by Monday each week.
- During the first semester 6<sup>th</sup> grade will not have more than one test on a day. This does NOT include quizzes.
- Students may turn in late HW for a 20% penalty for up to a week. After a week it is up to the teacher's discretion to accept late work and he/she will determine the grade deduction.

### **Honors Recognition**

There are classifications of recognition for work done in the academic field in grades 5<sup>th</sup>-8<sup>th</sup>.

High Honor Roll: Student who earn 90 or above in all graded subjects.

Honor Roll: Students who earn 80 or above in all graded subjects.

### **President's Award for Academic Excellence**

The National President's Award for Academic Excellence is awarded to students in both the 5<sup>th</sup> and the 8<sup>th</sup> grade. To receive this award, students must score an 85% or above on a standardized test in math or reading and have maintained a 3.5 GPA or above throughout their career. This GPA is calculated by receiving a 90 on a 100 percent grading scale in 4<sup>th</sup> grade and 5<sup>th</sup> grade 1<sup>st</sup> semester/7<sup>th</sup> grade and 8<sup>th</sup> grade 1<sup>st</sup> semester.

### **Standardized Testing**

GCS administers the MAP assessment to all first through eighth grade students. This test is administered three times a year, Fall, Winter and Spring. Results will be made available within two weeks after the last day of testing. Conferencing about these tests may be scheduled at any time with the Assistant Head of School or Head of School.

## Attendance

Regular and punctual attendance of all classes is required in compliance with Florida statutes. Students must be in attendance 165 days or the student will be in jeopardy of being retained for non-attendance. The most optimal learning environment is for all students to come to class prepared and that includes students who are returning from absences. Parents must provide the school with a note explaining the absence within three school days of when the student returns. Failure to provide a note concerning an absence may result in the absence being classified as unexcused. Parents may submit 5 excused notes each semester. After the fifth note, all absences will be marked unexcused unless they qualify for an emergency absence determined by administration.

### **Absences**

- One make-up day is allowed for each day's absence. For example, if your child is absent for four days, make-up work must be completed in four days after his/her return. All work must be completed within 5 school days. An F may result if the student fails to take a test in a timely manner.
- For absences other than emergency or illness, the teacher must be given advanced notice for assignments and homework. **Teachers MAY NOT be able to give assignments for days or weeks ahead of time—in which case, the student will be responsible for obtaining the work when he/she returns to class.**
- Students may access homework by logging into their Google Classroom and checking for upcoming assignments. If you do not have internet access, please let the administration know.
- Students have 174 days to obtain an entire grade level's worth of material. Each day a child is absent, he/she is missing an opportunity to spend quality time with the content matter. Please make every effort to plan trips around the school calendar to maximize your child's exposure to the curriculum. Excessive absences may exclude your child from future attendance at Grace Christian School.

### **Excused and Unexcused Absences**

- The following ARE considered "Excused Absences" and require documentation
  - Illness (Note from parent and, if excessive, from doctor)
  - Medical appointments (Note from doctor)
  - Death in the immediate family (Note from parent)
  - Some religious holidays (Note from parent)
  - Academic Trips (4H, Science Fair, High School Testing, etc.)
- Students with excused absences are permitted to make-up their missing work. All other absences for personal business, transportation problems, family trips, youth group activities, oversleeping, etc. are unexcused and make-up work will be permitted if absences are not habitual.

### **Signing In and Out**

- For safety purposes, students may not leave school without permission. Doing so is considered a major infraction and will result in a disciplinary action.
- Medical appointments should be scheduled outside school hours, if possible. In some cases this is unavoidable and appointments are scheduled during school hours. In order to excuse the appointment, students must bring a note from the doctor. Failure to turn

- in a doctor's note may result in an unexcused check out.
- All students leaving and/or returning to school during the day must be signed in and out by their parent/guardian in the main school office.

### **Tardy Policy:**

- All students arrive in their classrooms between 7:30 –7:50 am.
- All teachers are in their classrooms at 7:30 am to supervise students as they arrive.
- All students are considered tardy after 7:50. If a student is not in their homeroom by this time, that student will be considered tardy.
- Students arriving after Courtyard or Church Service must report to the office to receive a tardy slip prior to going to their classrooms.
- Getting your child to school on time establishes life-long habits that will benefit him/her in the future. To maximize instructional time, please make sure students are on time every day.
- Middle school students with three tardies (five tardies for Kindergarten) in a marking period will receive a consequence at the discretion of administration (such as lunch detention, afterschool detention, loss of privilege). Parents of students with excessive tardies will be required to meet with an administrator.

## **Character and Physical Development**

### **Citizenship**

The National Citizenship award is given to two students in each grade 1<sup>st</sup> – 8<sup>th</sup>. The award is given by the National Association of Lower School Principals and the National Association of Secondary School Principals. In grades 1<sup>st</sup>-5<sup>th</sup>, the classroom teachers select the recipients. In middle school (6<sup>th</sup> – 8<sup>th</sup>), teachers vote for the recipient. They use the following criteria stated by the NAESP and NASSP:

- Participation in school community service
- Shown a positive attitude toward classmate, school, and community
- Displayed an outstanding and appreciation of civic responsibility
- Possessed strength of character and the courage to do what is right
- Promoted citizenship within the school community

### **Grace Christian Spirit Award**

In eighth grade the Grace Christian Spirit Award is given to two 8<sup>th</sup> grade students who best exemplify the spirit of Grace Christian School. Selection is made by the majority of votes of all middle school teachers. The award is presented at the graduation ceremony.

### **Fruit of the Spirit**

This character education program is school wide and includes an instructional component as well as being the theme of our entire program. It is based on the development of the Fruit of the Spirit in Galatians 5:22 and include love, joy, peace, patience, kindness, goodness, gentleness, faithfulness, and self-control. In our school, we are trying to develop the Fruit of the Spirit in our lives – students as well as staff.

On scheduled Thursdays, during Courtyard, “Fruit of the Spirit” awards are presented to one student in each grade (K5-8<sup>th</sup> grade). These children are recognized in front of the entire school community with a “Fruit of the Spirit” certificate. Other weeks the award is voted on by the

students for a fellow student in their class. Each month a different Fruit of the Spirit is featured. Parents will be notified by email if their student is receiving the Fruit of the Spirit Award.

### **Light of Christ**

Each quarter, two students from each grade 6<sup>th</sup>-8<sup>th</sup> receive the Light of Christ award. This honor is given to students who exhibit Christ-like behavior towards other students, teachers, staff, and community. These students shine the light of Christ to all around them.

## **Communication**

### **Media/Internet Consent**

A major part of our program involves Internet use and photography. Occasionally the media will be on campus taking pictures of students and their activities for publicity and marketing purposes. We require parents to sign the Grace Christian School “Public Release Form” and the Grace Christian School “Acceptable Use Policy Form” giving their child/ren permission to be photographed (including yearbook pictures) and use the Internet. These forms are included in the registration packet and need to be completed and signed through RenWeb. If you did not receive these forms, please pick up forms in the office.

### **Parent Conferences and Communication**

The parent or the teacher may request Parent/school conferences. Parents and teachers will meet periodically throughout the school year to discuss student progress. Parents in need of additional time should contact the teachers through the school office or e-mail, which can be found at the end of this booklet and on the GCS website [www.gcsocala.com](http://www.gcsocala.com)

### **Electronic and Written Communication**

Each elementary child is assigned a “Friday Folder.” Please check this for regular communication from the school, teachers and school organizations. In addition, Grace Christian School will distribute electronically our quarterly weekly Friday FAST FACTS. The Friday FAST FACTS provides the highlights about upcoming events and other pertinent information.

### **Website**

We maintain a website at [gcsocala.com](http://gcsocala.com). The website provides basic information such as a live school calendar, information on basic programs, school newsletters, lunch orders and staff information including email addresses. The live calendar is the best way to view all up-to-date, scheduled school related events.

## Conduct

### **Grace Christian School Code of Conduct**

As members of Grace Christian School, we share Christ's love and spirit in all we do. The Code of Student Conduct for all students at Grace Christian School frames our mission to prepare our children for life, and to honor and glorify God in a Christ-centered environment of academic excellence. It is our goal to encourage our students to be responsible, respectful, kind, and accountable to one another.

### **Purpose of Conduct**

- To achieve Christian attitudes of respect, love, and responsibility for self, others, and the greater community.
- To provide a classroom environment conducive to learning for all students by practicing self-control and developing maturity.

### **Student-Teacher-Parent**

We believe that behavior of students is a maturing process in which the students will take increasing responsibility for their own conduct. However, we understand that this process involves parents, teachers, and students. Therefore, Grace Christian School administration, teachers, and staff are committed to helping students develop academic and socially appropriate behavior in a positive, caring, safe, and orderly school climate. Teachers will maintain open communication with parents regarding student conduct and inform them of recurrent problems by means of a telephone call, written note and/or conference. Teachers will maintain records of these communications.

### **Norms for All Students**

- Students will be respectful to teachers, staff, coaches, administration, clergy and students, in language, actions, and attitude.
- Students will be respectful of the property of Grace Christian School as well as fellow student's property.
- Students will be prompt and prepared for class including homework, books and supplies.
- Students will follow classroom rules and policies of GCS.
- Students will wear proper uniforms and present neat appearance.

### **Infractions/Rules**

These rules apply to all students in K3 through 8<sup>th</sup> grade. Students committing infractions are disciplined according to the severity of the rule being violated and the number of times a student repeats the infraction. Unacceptable behavior may be dealt with by suspension, expulsion or alternative educational consequences. Students are expected to follow the code of conduct at all school sponsored events including those off campus and while representing the school (i.e., sporting events and field trips).

The following infractions constitute offenses for which students are strictly accountable:

Bringing/using non-school related items	Profane or obscene language or materials
Misuse of cell phones	Stealing
False fire alarm	Threats
Classroom disruption	Intimidation

Disrespect and unkindness to others	Unauthorized absence from school or class
Gum chewing, food at times other than lunch or designated times	Disorderly conduct
Inappropriate display of affection	Destruction of property/ vandalism
Insubordination to someone in authority	Bullying/Cyber-bullying
Plagiarism/Forgery/Cheating	Fighting
Violation of dress code	Misbehavior on school trips or related functions
Drugs/Alcohol	Harassment/Sexual harassment
Breaking and entering	Unauthorized use of internet
Computer fraud	Weapons at school

### Procedures for handling conduct problems

Students must learn that choices have consequences, and they are responsible for their choices. Disciplinary action is designed not only to correct conduct but also to encourage and motivate students to become responsible citizens of the school community. Teachers and administrators use their professional judgment to determine appropriate action based on seriousness and frequency of the offense, student age, ability and functional level, attitude, intent of the student, and the effect on the school environment. Each student will be dealt with on an individual basis in communication with the parent(s). The teacher is expected to maintain proper discipline with all students at all times. Anecdotal records will be kept by the teacher on serious problems which are referred to an administrator.

When a child exhibits a pattern of inappropriate and/or disruptive behavior:

- The teacher will first address the behavior with the child through redirection and/or warning.
- If the student chooses to continue the behavior, the teacher will informally contact the parent to seek help in correcting the behavior. Teachers will maintain a record of contact and serve as documentation of the behavior and attempt to informally find a solution to the problem.
- If the behavior continues, the teacher will formally write a discipline referral through Renweb and the child will receive a consequence based on the age of the child and the severity of the behavior.

Consequences for poor choices include but are not limited to:

Incentive based plan	Required counseling (out of school)
One-on-one conference with student	Community service (to Grace School)
Move student's seat	After school detention
Loss of privileges	Saturday detention or work detail
Logical consequences (i.e., making a mess at the lunch tables=cleaning tables, damaging property-	In-school suspension

making restitution for damage)	
Temporary removal from setting – Time out in class	Out-of-school suspension
Student behavior contract	Student placed on probation
Action plan with parent and student	Immediate removal from school
Silent lunch detention	Expulsion
Parent / Teacher conference	
Temporary removal from school related activities or programs	

## Suspension and Expulsion

**Suspension** is considered a severe action and, therefore, is not taken lightly. The intent is to aid parent and child to work together to arrive at the best solution to the problem. Only the administration is authorized to suspend students.

### Out-of-School Suspension (OSS)

A grade of zero may be recorded in every class a student misses while suspended. The student may be given an opportunity to make-up missed assignments for a reduced grade at the discretion of the administrator. Any assignments made prior to the suspension and that becomes due during the suspended period will be accepted, but will be treated as any late assignment with penalty points being deducted.

**Expulsion** is the most severe action taken by the school. It is the permanent dismissal of the student from the school.

- In the event that expulsion is decided, the student will be removed from school immediately.
- The Head of School will notify the Board of Trustees of the decision and will provide documentation to support the decision, including but not limited to the Disciplinary Notice and a record of past disciplinary actions.

***\*\*\*All new enrollees will have a 9 week probationary period. During this time, if the academic, behavior or attendance record of the student does not meet the Grace Christian School standard the school holds the right to withdraw the student\*\*\****

### Grace Christian School Policies

Grace Christian School is dedicated to fostering an environment that promotes kindness, self-control, acceptance, and embraces differences among individuals. This policy supports the school's mission statement. Students are entitled to a safe and healthy learning environment. Bullying, cyber-bullying, threatening or harassment will not be tolerated, nor will drugs and/or alcohol of any sort; all will be just cause for immediate disciplinary action.

## **Bullying**

Bullying is any pattern of behavior by a student, or a group of students, that is intended to harass, intimidate, ridicule, humiliate, or instill fear in another student or group of students. Bullying behavior includes verbal abuse, threats, and/or actual physical harm to another student. Bullying is a series of recurring actions committed over a period of time directed toward one student, or successive, separate actions directed against multiple students.

Examples of bullying may include but are not limited to a pattern of behavior involving one or more of the following:

- Pointed questions intended to embarrass or humiliate
- Mocking, taunting, or belittling
- Verbal and/ or non-verbal threats and/or intimidation
- Sarcastic “compliments” about another student’s personal appearance
- Demeaning humor relating to the student’s race, gender, ethnicity, or personal characteristics
- Deliberate physical contact or intent to injure person or property

- Rumor or spreading of falsehoods
- Theft (hiding victim’s books or personal belongings)
- Unwanted teasing
- Retaliation (1) against a student by another student for asserting or alleging an act of bullying or harassment.

## **Cyber-bullying**

Cyber-bullying refers to using technology to engage in conduct that promotes bullying through internet, using instant messages, creating websites, e-mails, using camera phones, or any other forms of technology.

## **Drugs, Alcohol, or Tobacco products**

Possession, use, distribution or being under the influence of any alcoholic beverage, drug, tobacco products or look-alike substances is prohibited and may result in immediate suspension or expulsion.

## **Harassment**

- Places a student in reasonable fear of harm to his or her person or damage to his or her property.
- Has the effect of substantially interfering with a student’s performance.
- Has the effect of substantially disrupting the orderly operation of a school.

## **Threatening**

Threatening is similar to bullying and it is a statement or expression of intent to do physical, mental, or emotional harm to another. If a student is accused of making a threat, the administration will investigate the legitimacy of the accusation. If the administration determines that a threat was made, the student will be removed from the school and the local authorities called to complete a full investigation. Once the student has been cleared of

criminal charges the student will be required to take a risk assessment from a licensed psychologist, psychiatrist, or mental health counselor before returning to the school. These results will become part of the student's permanent record. If the risk assessment indicates that the student is a threat to the school, he/she will be removed from the school permanently.

### **Academic Integrity**

Grace Christian School is a community of academic excellence in a Christ-centered environment. Students are expected to follow and practice the principles of truth and honesty in all academic endeavors. Therefore, academic dishonesty will not be tolerated. It is the student's responsibility to make sure all work turned in is his/ her own work and reflects the student's true ability.

### **Cheating**

Cheating is an offense that must be dealt with firmly to establish a code of honor among students. The offense of cheating takes many forms and as a result, teachers must have a variety of strategies to deal with cheating. For the purpose of this policy, cheating will be defined as the willful or deliberate, unauthorized use of the work, of another person for academic purposes.

Cheating includes, but is not limited to, any of the following behaviors:

- Copying another person's test answers
- Allowing someone else to copy test answers
- Divulging test questions and answers to other students
- Copying another person's homework
- Allowing someone else to copy your homework
- Using "cheat sheets" of any kind

- Quoting text or other written materials without citation on a term paper, homework, test, or other written materials submitted to the teacher when requested by the teacher to present your own work.
- Using other's graphics and pictures without citation.
- Using Artificial Intelligence without citation
- Using information and data obtained from the Internet without citation.

### **Consequences for Cheating or Plagiarizing:**

- The student's parent will be notified.
- The teacher conferences with the student.
- The student may be required to redo the assignment for half credit.
- The student(s) may receive a zero for the assignment/test.

In the event of a student continuing with the behavior, major consequences will apply, including but not limited to, removal from leadership positions (e.g., NJHS).

## Grace Christian School Parent/Guardian Code of Ethics

### Rationale

A positive relationship between school representatives (teachers, administrators, coaches, etc.) and families at Grace Christian School is one of the most important elements of an effective education and creating a Christ-centered environment. This policy statement provides structure to several phases of the relationship. We believe in Christ-centered conflict resolution and interaction between all members of the Grace community. Please read the following set of expectations and procedures used to maintain a healthy relationship between our families and school representatives.

### Academic

Parents maintain high realistic expectations for their children at Grace Christian School. Those expectations include academic standards and classroom practices designed to maximize achievement of all students. Oftentimes those expectations elicit questions from parents. These expectations should clarify the direction for both the child and teacher in the areas of goals and expectations. Some suggested ways to inquire about the academic expectations are:

- What skills and knowledge will my child be expected to master this academic year?
- How will my child be evaluated?
- What can I do to stay more involved in my child's academic progress?
- How do you as the teacher accommodate differences in learning?
- How do the expectations and practices prepare my child for future academic pursuits?

### Behavior

A student's behavior is closely linked with his/her academics. As a result, Grace Christian School has a behavior code of conduct for the students whereby student behavior problems can be identified and remediated. Some suggested ways to inquire about the behavior expectations are:

- What are the classroom rules and procedures and how are students notified of these?
- How did my child not meet expectations you require?
- How can I help motivate, encourage, and teach my child to meet behavior expectations?

Should a parent wish to question/challenge a school staff report of misbehavior, or wish to question/discuss a specific action, the following procedure must be followed:

**Step 1:** Please contact the staff by phone or email to discuss the issue. The telephone conversation or email between parent and staff is expected to be courteous, collegial, and cooperative. A plan should be worked out with follow up communication or face-to-face meetings as needed. Anonymous forms of communication will not be addressed.

**Step 2:** If the behavior is repeated or is beyond the realm of a telephone conversation or email, a conference between the parent and staff member should be scheduled. It is the expectation that these conferences remain calm and collaborative. All matters discussed will remain private and confidential by both the staff member and parent. On any occasion involving a difference

of opinion, the administration may participate at the request of the staff member and/or parent. All of these interactions are part of the confidential relationship regarding student behavior and academic achievement.

**Step 3:** In the event that the disagreement between parent and staff member cannot be resolved via this procedure or in those instances when the parent's behavior becomes intrusive, inflammatory, and/or explosive this procedure has been developed:

- The administration will be involved in every conference between the parent and staff member and will attempt to resolve the differences and find reconciliation.
- If the difference cannot be resolved and leads to disruptive behavior on the part of the parent, a decision may be made by the administration to deny the continuation of the family as a member of the Grace Christian School community.

### **Disciplinary Policy for Problems Involving School Parents:**

Grace Christian School has a disciplinary policy and code of conduct for its students. It is proper and necessary for this policy to be extended to parents/guardians whose behavior is intrusive, inflammatory, or disrespectful therefore damaging the goals of keeping our school community centered on Christ-like behaviors. A decision to apply this policy to a parent would be made by the administration using careful forethought and only to significant behavioral issues. The disciplinary policy also extends beyond the school to activities where you serve as a representative of Grace Christian School in any capacity (i.e. sport events, social media, field trips, etc.)

Examples of such disruptive behaviors by parents include, but are not limited to:

- Defamatory comments made about the school, faculty, staff, students, or other parents
- Verbal communication or written threats made against the physical or emotional well-being of others.
- Negative gossip spread in person, by phone, by letter, email, or social media. · Harassing multiple messages or repeated complaints about matters that are already considered settled in the view of the administration.
- Disrespect towards faculty or staff members that would not be tolerated from any school student.

If a parent engages in disruptive behavior, the administration will follow these steps:

**Step 1:** warning to parent that this disciplinary policy is being engaged in regard to his/her behavior, with a mediation meeting with parents, administration, and other staff as needed.

**Step 2:** removal of parent from opportunities to volunteer in school activities and organizations.

**Step 3:** restriction of parental access to the school building and grounds without prior authorization by the administration

**Step 4:** final meeting, removing the parents and their child(ren) from enrollment in the Grace Christian Community

The administration has the discretion to skip steps in this policy pending the nature or severity of the parental behavior.

When any disciplinary action of this nature is being administered to a school parent, it is always within the discretion of the administration to notify other involved parents of the fact that such disciplinary action is being taken. However, the administration may choose not to disclose the exact nature of the parental infraction for privacy reasons. At the discretion of administration, a more complete report concerning the disciplinary actions and the factors that gave rise to them may be shared with the school board in executive sessions.

Any parent that is aware of any situation where other school parents are engaged in behaviors that are disruptive to the harmony within the school community, they are asked to bring these issues to the attention of the administration.

### **Reconciliation of School Parents**

Reconciliation of school parents is a goal for Grace Christian School. We believe in forgiveness and restoration for parents and seek to bring parents back into good standing in our community. Any restoration of parents whom have participated in disruptive behaviors outlined above is predicated on two key factors:

- The parent understands and accepts the reasons why this process had to be applied in response to their behaviors
- The parent is committed to reconciliation among those who were adversely affected by their behaviors.

## Emergency Procedures

### **Fire Drill**

During the school year, we are required by law to conduct regular, unannounced fire drills. These drills allow our students and faculty to practice evacuating their classrooms quickly and orderly. Each teacher will instruct his or her class in proper fire escape procedures as follows:

- Maps instructing students where to go in the event of an emergency that necessitates evacuating the classes are displayed in every classroom.
- Students will exit the classroom in an orderly, single file line.
- Teachers will take their record book and will take roll once their class has reached the designated area.
- Teachers will be the last to exit the classroom, closing all doors and windows.
- Students will be kept in class groups and will not be permitted to wander.
- Should there be an incident requiring parents to pick up children, you will receive a phone call and/or an email.

### **Violent Intruder Procedures**

The safety of our children is one of the highest priorities at Grace. Students will practice lock-down and evacuation drills regularly throughout the school year. In the event that a violent intruder (armed or not) approaches the campus, staff will execute appropriate procedures while continually practicing the ALICE protocol, critical decision-making strategy. Our on site SRO serves as a resource for practicing, mastering, protecting, and staying up to date on safety protocol.

ALICE Protocol:

1. Alert
2. Lockdown
3. Inform
4. Counter
5. Evacuate

In the event that the school is evacuated, children will be reunited with families at Shady Hill Elementary School. Parents will be notified of the specific location via text, email, and/or phone call. All students will be signed out to a parent or approved guardian to ensure their safety.

Following a threatening incident, students and faculty will have the opportunity to process/debrief the situation with a licensed mental health counselor. The school administration will disseminate information to parents with the guidance of local law enforcement.

**Weather Policy:** Tornado drills are practiced regularly with students in preparation of potential dangerous weather. Every teacher has available instructions relating to the protection and evacuation of students in the event of a weather warning alert:

- If severe weather conditions develop while your child is at school, the school will notify parents using the email via the Renweb system and/or phone correspondence: call and/or text. Please monitor local weather stations in case the school closes early.
- In the event of early dismissal or school closing, after-school activities will be canceled.
- In the event that school closes early, your child will always be taken care of by faculty

and staff until you are able to arrive.

- If Marion County Public Schools close because of weather, GCS will also close. Please stay tuned to the local radio/TV stations for reopening information. We will follow the Marion County Public Schools reopening schedule unless the administration determines otherwise. Parents/Guardians will be notified via email/phone if there is a change in procedure.

## **Extracurricular and Enrichment**

While extra-curricular activities are an integral part of our program, academics remain the first priority. In order to be eligible to participate in an extra-curricular activity after school, a student must have been present for at least 4 hours of the school day and meet academic and financial requirements.

- All rules stated in the GCS handbook apply for curricular and extra-curricular activities.
- Guests of GCS students at extra-curricular activities are subject to GCS rules and policies.

### **Athletics**

Students who meet the age requirement standard for a particular sport may participate in the athletic program at GCS.

#### **Athletic Programs Offered:**

- Varsity and JV Volleyball (Girls only)
- Co-ed Soccer
- Varsity and JV Basketball (Girls and Boys)
- Track & Field
- Flag Football (Boys only)

### **Facilities**

GCS rents space for most of its athletic competitions. At the beginning of each season, there will be a parent/coach/student meeting to explain the policies and procedures and the schedule for practices and games with the Athletic Director.

### **Parents Concern**

Parent concerns should be addressed in the following manner:

- Make an appointment with the coach.
- If the coach cannot be reached, call the Athletic Director to set up a meeting. Please do not attempt to confront a coach before, during or following a game. These can be busy and emotional times for both the parent and coach, and this period does not promote objective analysis of the situation.
- If the meeting with the coach and/or Athletic Director does not allay your concerns, make an appointment with an administrator to discuss the situation.

### **Policies**

Student athletes at Grace Christian School must meet the following requirements:

- Maintain a 2.5 cumulative GPA. Incoming students are automatically eligible for the first semester.

- Keep a current annual check-up on file in the office.
- All paperwork can be picked up and returned to the Athletic Director prior to each season.
- There is a onetime \$100.00 Sports fee for every student participating in the athletic program. This fee must be paid prior to issuing uniforms or attendance at practices.
- Uniforms are issued for each sport. At the end of the season, it is the responsibility of the student to return the uniform or receive school debt for not returning the uniform.
- In order to be eligible to participate in a practice or game, an athlete must have been present for at least 4 hours of the school day.

### **Sportsmanship**

Sportsmanship is an important aspect of the GCS athletic program. Student-athletes are expected to display good conduct during practices, games, and in the classroom. Sportsmanship is also displayed by the fans, families, and spectators at events. Those individuals participating in these roles also bear a responsibility to show good sportsmanship to the referees and the opposing team's players, coaches, and fans.

### **Courtyard:**

All Grace students gather in the courtyard area as a family each morning. It is a time of announcements, special presentations, celebrations of birthdays and achievements, devotion and prayer concerns, the Lord's Prayer and the pledge to the flag. It is a very special way to begin these days. On Thursdays we celebrate the Fruit of the Spirit Character Education Program.

### **Field Trips**

The classroom teachers schedule field trips at various times throughout the school year. These trips enhance and enrich our curriculum. The fee for school field trips is paid by the parent through the FACTS portal. We also encourage parents to chaperone for these trips. Chaperones must follow the "Chaperone Guidelines" provided by the teacher before each field trip. For liability purposes **siblings are not allowed to attend field trips**. Parents volunteering to drive other students must fill out driver information and provide proof of \$100,000 liability insurance. Parents must complete an application and be an approved volunteer through our RAPTOR system to attend field trips.

### **Little Buddies**

Seventh and eighth grade students have "Little Buddies" from the K4 and K5 classes. "Little Buddies" have scheduled time to meet in addition to special occasions, such as sitting with buddies at Courtyard.

### **National Junior Honor Society**

- The NJHS is an organization whose purpose is to recognize and encourage academic achievement while developing other characteristics essential to good citizens. To be eligible for membership a student must have completed the third quarter of his/her 6<sup>th</sup>, 7<sup>th</sup> or 8<sup>th</sup> grade. Candidates must have a cumulative Grade Point Average of 3.5 or above. Students who meet this criterion will then be evaluated in the areas of character, leadership, service, and citizenship. The selection of each member shall be by the majority votes of the faculty council. The faculty council is composed of middle school teachers.
- Students who have the required GPA by the end of the first quarter of the academic year will receive a letter notifying them of their pre-eligibility and inviting them to meet with the chapter advisor. This notification is not an invitation for membership. At the time of the meeting the student and parent will be notified if there is a problem in one or more of the

areas of character, leadership, citizenship, and service. The student will have 16 weeks (end of third quarter) to improve in the area of weakness.

- At the end of the third quarter, students who meet the academic criteria and wish to become members of NJHS will complete an application and an essay which addresses the following points: 1) personal leadership 2) character 3) service 4) citizenship and 5) how the student's membership will benefit the chapter and the school.
- Students must return their completed application to be considered for membership to the NJHS Grace School Chapter. Students who choose not to return their application and essays will not be considered for membership. The faculty council will meet to evaluate and discuss the application and essays and will cast their vote. The decision of the faculty council will be final.

## Parties

- **Class Parties:** Academics are of utmost importance and maintaining that focus is vital to our students' academic growth. Additionally, celebrating important holidays as a family helps our children socially and builds community. Therefore the school allows two class parties to celebrate Christmas and the end of the year. These parties are planned by the teacher and homeroom parent.
- **Holidays:** As a Christian school, it is important to emphasize the importance of Christ in our religious celebrations. At Christmas we focus on the Holy Family and the birth of Jesus rather than Santa Claus, elves, and reindeer. At Easter we focus on the death and resurrection of Jesus rather than the Easter bunny and chocolate eggs. In addition, we do not celebrate the secular version of Halloween; rather students learn the religious and cultural significance of Dia De Los Muertos in Spanish Class.
- **Birthdays:** In an effort to keep distractions to a minimum and to keep students with allergies safe, all students (K-5) are NOT permitted to celebrate birthdays by sharing food while at school. Your child's teacher (K-5) will send home a "birthday bag" for you to provide a special treat for **your child** on their birthday. The child is made to feel special with the birthday song, special privileges in class, and acknowledgement from their class community. Party invitations for all grades may **NOT** be distributed on campus **UNLESS** the entire class is invited. Similarly, we request that you do not pick up specific groups of children from school to attend parties.

**Religious Program/ School Eucharist** All school students attend Christian Education classes each week. At Grace, Christian School religion is not treated as something separate or different. The Lord's presence is welcomed at GCS and prayer is an important part of our daily life. The "religious moment" at Grace Christian School occurs as we live with children hour-by-hour and day-by-day, growing together in the knowledge that the Lord loves and cares for each of us. The classroom teachers often lead the students in spontaneous prayers as well as leading the blessing before snack and lunch.

Each Wednesday, the entire school community gathers at 7:50 am in the church at Christ the King to celebrate the Eucharist. Either the Pastor or Associate Pastor of Christ the King Church will deliver the message and GCS music teachers and students lead the school in praise and worship. The middle school students serve as acolytes and readers each week. We welcome all who are baptized to receive communion. Those children not receiving will go to the altar for a blessing. Parents, family, and friends are welcomed to join us during this celebration.

## **Safety Patrol Program**

Students in 5<sup>th</sup> grade have the opportunity to serve on Safety Patrol. One of their jobs is to direct cars through the carline and help fellow students get themselves and their belongings safely in or out of the car. Being part of Safety Patrol develops responsibility, citizenship, and leadership skills.

## **Financial Information and Ways to Support Grace School**

### **Tuition**

Grace Christian School partners with FACTS Management Company to help manage tuition and fees. FACTS is used by many schools locally and over 6,500 schools nationally. FACTS provides:

- **Payment Flexibility:** Each month an automatic payment will be made from your choice of checking, savings, or credit cards. Each payment that does not clear will be charged an NSF fee of \$30 to FACTS.
- **Convenience & Security:** Your payments are processed securely through a bank-to-bank transaction.
- **Peace of Mind Insurance:** FACTS offers this optional benefit for only \$14 per year per family. In the event of death of the Responsible Party or spouse, the remaining tuition balance owed for the current school year is paid to the school.
- **Consumer Account:** You may check your personal account or make payments online from the convenience of your home or office anytime.

ALL PARENTS must register on FACTS. The fee for this system is covered by the registration fee. This system will also be used for aftercare/extended care, field trips, yearbook, sports, and other miscellaneous fees and invoices throughout the year.

Go to our school website: [gcsocala.com](http://gcsocala.com), click the admissions tab, scroll to the bottom of the page and click the **FACTS** link to create a customer profile and set up your payment plan.

### **Financial Assistance (Kindergarten – 8<sup>th</sup>)**

- **FTC/FES:** Parents who qualify for Florida Tax Credit or Family Empowerment Scholarship will need to go online, fill out the application and submit all paperwork directly with SUFS. If you are awarded Step-Up for Students funding, then you will need to bring the award letter to the Grace Christian School Business Office.
- **Family Empowerment Unique Abilities:** Grace Christian School accepts a limited number of FES-UA Scholarships. We will only accept McKay Scholarship students if we are able to meet his or her educational needs.

### **Annual Giving**

Annual giving is a vital part of private education. Your gift to the Annual Fund provides new programming, computers, library enhancement and competitive salaries and benefits for teachers. Your gift is also tax deductible. GCS relies on the loyalty and generosity of parents, grandparents, alumni, parents of alumni, and friends to continue the long tradition of outstanding education in a warm, safe, and caring Christian atmosphere. GCS sincerely appreciates full participation in our fundraising events and giving opportunities throughout the year.

- For the safety of your child, cell phones should not be used while picking up or dropping off your child. This is a great opportunity to learn about your child's day at school and help them build communication skills. If you are on the cell phone, we may ask that you pull over to the side until such time as you complete your call. At that time, we will gladly load your child in your car.
- Students, parents and faculty must use the identified crosswalks at all times. State law requires that you stop for pedestrians in the crosswalk.
- Please do not leave cars for any reason during arrival/dismissal (when you are in the moving car line).
- Please follow the directions of the safety patrol students, pulling up when asked.
- **PLEASE notify the front office of all changes in transportation either via written note, email, or phone call.**
- Please do not attempt to conference with teachers during dismissal. This pulls the teacher away from their supervisory duties. Please contact the teacher via email or phone and set up a time when they can give you their full attention and speak in confidentiality.

## **Parking**

- Staff, visitor, and volunteer parking are located on the south side and closest to the main building. This is reserved for staff, volunteers, and visitors. There are also two auction purchased parking slots in this area. Do NOT park in these reserved spaces. · Parent parking is located in the lot that runs north to south in front of the new building site.

## Uniforms and Dress Code

People’s dress often reflects their attitude toward their work. Grace Christian School has always upheld high standards in all areas, including standard of dress. For these reasons, GCS requires that all students in grades Kindergarten – 8<sup>th</sup> grade wear uniforms and have a neat, clean appearance (i.e., shirts tucked in, belts, etc.). The GCS approved uniform is found at School Uniforms by Tommy Hilfiger, Landsend.com using our source code 900141904, or by visiting Choice Awards. Uniforms can be purchased or exchanged at the GCS spirit shop.

### **K3 and K4 Dress Code**

Students in preschool are not required to wear uniforms. However, for their safety and comfort, students must comply with the following:

- Girls must wear shorts under dresses and skirts.
- All tops must cover the midriff area.
- Tennis shoes should be worn. Children wearing sandals may not participate in all activities.
- “Theme” wear must be appropriate for a Christian School.

- Middle school: Students may wear any flat, closed-toe and closed back shoe that is safe and sturdy.

· All students **MUST** wear athletic shoes for PE.

· All students are expected to follow these guidelines: No lights, sandals, wheels, bedroom slippers, “five finger” shoes, Crocs (or “croc” like), boots, or flip-flops.

**BELTS:** If there are belt loops, students must wear a solid navy, black, brown/tan, or school plaid belt.

**COLD WEATHER UNIFORM:** Students are encouraged to wear uniform pants when it is cold. Uniform sweaters and jackets are also recommended. If non-uniform coats are worn to school they must be taken off and stored in lockers for middle school students or in the classroom of elementary grade students. Non-uniform clothing may not be worn during the school day unless it is an out-of-uniform day.

**OUT-OF- UNIFORM:** On designated out-of-uniform days, students may wear neat clothing of their choice. Long pants, jeans or shorts are acceptable clothing for boys; skirts, dresses, slacks, capris, or jeans are acceptable for girls. Tank tops, bare midriff, spaghetti straps, hip hugger pants, leggings (including but not limited to tight athletic wear) are not permitted. Students not following these guidelines will have the opportunity to rectify the problem by either borrowing/purchasing an appropriate substitute in the used uniform shop or contacting a parent or guardian to bring him/her a change of clothes.

**Uniform Violation Procedures**

Teachers are the observers to determine if the student is following the uniform policy. With repeat offenses, when the teacher sends the student to the office for uniform violation it will be supported by the administration as per Grace Christian School Uniform Policy.
